

Car on Two Wheels!

This is another story where I wish I had more details.

Carl took a trip to the southern states either to do some work, or just for a vacation. I think this story took place near Raleigh, North Carolina, but I could be mistaken. I do know that Carl met a young man, who was blind. I do not remember the exact circumstances of their meeting; the blind man, may have been looking for his wife, or something, but the blind man was in need of some assistance. Carl led him to where he was going; then Carl reached into his pocket and gave the man \$50.00. The blind man was overwhelmed with Carl's generosity.

I believe it was on the next day, Carl was driving on some rural two-lane highway. A tractor-trailer was approaching Carl in the other lane. Suddenly, a car decided to pass the truck, and was headed directly toward Carl's car, in Carl's lane! It was a narrow two-lane road. There was no where for Carl to go to avoid being hit by this car!

Suddenly, the impossible happened. The car Carl was driving suddenly went up on two wheels on a somewhat less than 45° angle. The car passed and Carl avoided what was certainly would have been a fatal accident.

While this story sounds as if it came out of a mission impossible movie script, I can assure you that it happened. I remember Carl telling me this story for the first time. He was still visibly shaken by the experience.

In the Bible in the first book of Jeremiah, Spirit tells Jeremiah to become their medium. Jeremiah refused, and says that he can't because he was just a small boy.

Spirit contradicts Jeremiah's statement, and informs him that Spirit will strengthen him and protect him against all adversity.

The LORD said: "Jeremiah, I am your Creator, and before you were born, I chose you to speak for me to the nations."

I replied, "I'm not a good speaker, LORD, and I'm too young."

"Don't say you're too young," the LORD answered. "If I tell you to go and speak to someone, then go! And when I tell you what to say, don't leave out a word! I promise to be with you and keep you safe, so don't be afraid."

Jeremiah 1:4-8 [CEV].

Carl often taught that the laws of psychic science have never changed. What was true in Biblical times is still true today. Therefore, in this it is with this story. Spirit protected Carl once again from a fatal accident. Carl still had work he was to do, and therefore, he was completely protected.

Like so many other stories in Carl's life, this was proves what a powerful force Spirit is.
